## A CENTRE FOR ACADEMIC EXCELLENCE

At MMPS, the students' talents are nurtured and attempts are made to foster discovery of their hidden potentials and talents. The years spent in the school equip the students with the resources to become leaders, trendsetters and worthy citizens of the world. Thus our Motto - Learn, Labour and Love.

M.M.P.S. has made it a mission to inculcate these three qualities among its pupils. Here the word 'Learn' stands for the efforts of teachers to find out the potential and abilities of the students. The word 'Labour' stands for the activities that develop the abilities of the students to their fullness. The word 'Love' stands for the attachment of students and teachers to Nature, and to all living things great and small.
