Dear Parent,

We at M.M.Public School believe in empowering students to learn actively in stress free, friendly environment.

These days heavy load carried by students in their bags is the cause of concern of many specialists including doctors and educationists. Keeping this in mind kindly ensures that the child carries lighter bag to the school through the following guidelines:

- Supervise your child while they pack their bags.
- Ensure that the child does not carry extra references, books, atlas and workbooks unless asked by the facilitator.
- Extra accessories like fevicol, clipboards etc. should not be carried unless required.
- Buy child friendly, comfortable light weight bags, pencil box and water bottle to carry.
