Dear Parents

With the increasing traffic in our city, Road Safety is becoming a big challenge for all of us. In lieu of the various directions given by Hon'ble Supreme Court vide its order dated 30th November, 2017, the school advises the parents to guide their wards and be a little more cautious to avoid any mis-happenings. Kindly make note of the following points-

1. Make sure that that the under-age children should not be allowed to drive motorized vehicles to reach the school.
2. Even for kids riding bicycles should be guided to follow traffic rules and avoid over-speeding.
3. Please make sure that if you are plying to private cabs for ferrying your children to school, then you should regularly check the commercial permit, driving license etc. of the driver.
4. Make sure that your private cab driver is not over-loading or speeding.
