“Celebrating 58 Years of Excellence in Education”

MMPS/Circular/09/2026

Dated:-09-07-2026

Dear Parents,

Kindly note that the National Education Policy 2020 recommends learning three languages, with at least two of the three languages being native to India. While CBSE **aims to equip learners with competence in multiple Bhartiya Bhashas (native Indian languages) and promote the vibrancy of language learning**, it is equally committed to ensuring that the process of learning and growth remains balanced.

The objective is to make language learning a **meaningful, engaging, and enriching experience** that contributes to the holistic development of every learner.

As per the Press Release issued by CBSE w.r.t. three language policy the scheme is as follows:

- **Two out of the three languages opted for must be Bhartiya Bhashas.**
- **A non- native language can be opted for as the third language (R3), provided that the other two are Bhartiya Bhashas.**
- **Relaxations during the transitional period and exemptions have been given below.**

For the Session 2026–27

(Applicable to Grade VII-VIII)

When the student reach Class IX and X, he/she will continue studying three languages, with two of them being Bhartiya Bhashas.

Relaxation

- For the **current batch of Class VII (2026-27) and Class VIII (2026-27)**, the students who have **already selected and started studying 2 non-native languages** need to study 01 additional Bhartiya Bhasha and continue the same till class X.

Assessment

- The third language (R3) will be assessed by the school through an internal school-based assessment only. **There will be no CBSE Board examination for this third language when these batches progress to Class X.**

We seek your cooperation in supporting the implementation of this initiative, which aims to strengthen linguistic proficiency and cultural understanding among students!

Regards

M.M. Public School
