10 Hafte, 10 Baje, 10 Minute

A campaign named '10 Hafte, 10 Baje, 10 Minute' against spread of Dengue and Chikungunya has been launched by Hon'ble Chief Minister, Delhi with an objective to control and prevent the outbreak of Dengue and chikungunya through public participation. Hon'ble Chief Minister has appealed all the residents of Delhi to control the breeding of vector mosquitoes by way of a campaign starting from their homes and surroundings for at least 10 mins. The campaign is now not only for general public but is also extended to all Delhi Government offices/establishments/institutions/schools/colleges etc. We as a school are also participating in the campaign by sensitizing our students and staff members about it. In lieu of this, our students of classes VI-X watched the live streaming of the awareness programme on 1st Oct, 2019 in which our Hon'ble Chief Minister addressed the students and spoke about this campaign. We request all the parents also to actively participate in this campaign as their small effort will help make Delhi Dengue and Chikungunya free.
