Dear Parents,

Greetings of the Day!

With the increasing traffic in our city, Road Safety is becoming a bigger challenge for all of us. The school advises the parents to guide their wards and be a little more cautious to avoid any mis-happenings. We request you to kindly make note of the following points-

1. Under-age children should not be allowed to drive motorized vehicles to reach the school or any another place.
2. Even kids riding bicycles should be guided to follow traffic rules and avoid over-speeding.
3. Please make sure that if you are plying to private cabs for ferrying your children to school then you should regularly check the commercial permit, driving license etc. of the driver.
4. Make sure that your private cab driver is not over-loading or speeding his vehicle .
