“Celebrating 54 Years of Excellence in Education”

MMPS/Circular/16/2022

Date:-30.12.2022

Dear Parents,

Greetings of the Day!

Mission LiFE (Lifestyle for Environment) is a global initiative by India to help the world fight against climate change and lead to sustainable way of life to achieve the sustainable development goals proposed by U.N .Inspired by the mission LiFE, The Energy Swaraj Foundation has launched **Climate Correction Day (CCD) Challenge**.

1st Wednesday of coming month, 4th January 2023, is **“No Ironed Clothes Day”** challenge as ironing one pair of clothes results in about 200 grams of CO₂ emission. **M.M.Public School has always been an ambassador to save environment** therefore we will be participating in this challenge.

- SINCE every individual on the planet uses energy and materials.
- THEREFORE every individual contributes to climate change.
- HENCE every individual must take part in Climate Corrective Actions.

I request each and every member of M .M .Public School family to join us in this challenge by wearing **“not ironed”** clothes on 4th January 2023.

Principal
