Dated : 07.04.2020

Dear Parents

Greetings !

Thank you all for choosing MMPS. We as an educational institution have always tried to impart quality education and imbibe good moral values in our students. But all this would not have been possible without the hard work of our teachers and other supporting staff. We have always been open to your valuable inputs as together we have to work for the betterment of our students and build their future.

In our pursuance to do so, even in these testing times our school is continuously providing our students with online classes, online activities, study materials, worksheets etc. so that they don't miss out on something and can utilize their time in a productive manner.

Further we would also like to bring it to your notice that the school has already generated the fee bill for the month of April 2020 which has been messaged to you and you can also view it on the MMPS Parent's App. But it has come to our notice that some of the parents have not paid fees even for the month of March 2020 also. In difficult times like these the school also has to pay timely salaries to its staff members and the fees being the only source of income for the school, we humbly request you to kindly pay the fees before 10th April 2020, so that we can also pay salaries to the teachers and other staff members.

Considering the present scenario you can pay the fees through MMPS Parent's App using any of the following ways-

1. Credit cards
2. Debit Card
3. Paytm
4. Net Banking

Looking forward to your support and cooperation.
