MMPS/Circular/19/2018

Dated:- 02-11-2018

Dear Parent,

Keeping in purview the safety of our children and adopting safety measures in compliance with the government guideline, please note that the following checkpoints are a must for the parents whose children commute by private vans-

1. Students are not dropped to the school earlier than 10 minutes before school time i.e. not before 7:40 am.
2. A lady attendant/ mother volunteer is always present in the van.
3. The maximum number of children boarding the van is limited as per norms based on type of vehicle.
4. Make sure that the van owner has the valid state permit.

The parents are advised to submit the details pertaining to the private van users in the prescribed performa given below, latest by November 12, 2018 in the school office.

Name of the child	
Grade & Section	
Parent Details: Father's Name & Contact No. Mother's Name & Contact No.	
Private Vehicle Details	
Vehicle Number	
Registration Copy	
Driver Particulars : Name Address Contact Number	
Lady Attendant/ Mother Volunteers Particulars : Name Address Contact Number	
Submit Report of Police Verification of the Driver & Lady Attendant	
Submit the Cab Driver's character & antecedent verifications	

We strongly recommend that parents discontinue the use of private vans and use the school bus facility as it not only makes the child independent and social but is a much safer option.

For the safety and well-being of our children, we request you to take this plea very seriously.
