Ban on Bursting and sale of all kinds of firecrackers in NCT of Delhi

Dear Parents

Greetings!

Festivals bring about sparkle in the eyes of young and old alike. The lights, the sweets, the décor, the happiness and celebrations all make festivals of India so big.

with festivals around the corner and we are aware that firecrackers cause us so much harm and also Delhi is facing grave air pollution & the level of pollutant which is going much beyond the prescribed standards for Ambient Air Quality. The city of Delhi is reeling under a third peek of outbreak of COVID–19 and large scale celebrations by bursting of crackers will result in not only in agglomeration of people, in violation of social distancing norms, but would also result in high level of air pollution leading to serious health issues in Delhi, under the prevalent pandemic crisis situation is not favorable for the cause of larger community health given the possible high level of exposure to air pollutants leading to short term and long term adverse health effects given the significant relationship between air pollution and respiratory infections.

The Delhi pollution control committee under section 31(A) of (Air Prevention and control of Pollution) Act , 1981 and keeping in view the need in public interest to curb high air pollution I Delhi, issued direction on 6.11.2020

“There will be complete Ban on bursting and sale of all kinds of firecrackers from 7.11.2020 to 30.11.2020 in the territory of NCT of Delhi.”

The brief extract of the order passed by the Hon’ble National Green Tribunal vide date 9.11.2020 pertaining to Delhi Government is as below:

“There will be total ban against sale or use of all kinds of firecrackers in the NCR from midnight of November 9-10, 2020 to the midnight of November 30 – December 1, 2020, to be reviewed thereafter.”

A child learns social consciousness, empathy and sensitivity simply by observing and imitating you. So be that light for your child, this festival season.
