Subject: Advisory Regarding Drinking Water Arrangement during Maintenance Work

Dear Parent(s),

This is to inform you that drinking water maintenance work is currently being undertaken on the school premises. While every effort is being made to ensure that there is no disruption to the regular functioning of the school, there may be temporary interruptions in the availability of drinking water during school hours.

As a precautionary measure, you are requested to send an extra bottle of drinking water with your ward until the maintenance work is completed, i.e., 11.07.2026. This will help avoid any inconvenience to the students during school hours.

We regret any inconvenience caused and appreciate your kind cooperation and understanding.

Regards

M.M. Public School
