

Dear Parents,

Water borne diseases are largely spreading these days, therefore following measures must be followed:-

- a) To prevent exposure of body to mosquitoes, students of classes L.K.G to V may wear any black trousers and full sleeves white shirts or school uniform trousers and full sleeve school shirt.
- b) Students of class VI to XII may follow the following dress code:
  - (i)Girls: Any Black Trousers with School Full Sleeves White Shirt
  - (ii)Boys: School Black Trousers with School Full Sleeves White Shirt
- c) Apply insect repellent on clothes and exposed part of body.
- d) Wash hands properly with soap and water before consuming food.
- e) Half cooked / pre-cooked / refrigerated food should not be consumed.
- f) The expiry date of all packed eatables / drinks should be checked before eating.
- g) Plenty of water and fluids should be consumed before stepping out in the heat.
- h) Consumption of water, milkshakes, fruit juices, chat and food material from roadside vendors should be avoided.
