### The Indian School, Second Shift Makes A Difference

The afternoon school is least popular and little appreciated by people, yet it offers more benefits to learning than we think. It all began with the dream of the founding- Chairman Prafull Goradia, to create, to make a difference. **The Indian School**, a CBSE affiliated private school, situated in Sadiq Nagar introduced the second shift. The Indian School second shift at 12 noon aligns itself with the sleep rhythms of children ensuring that children get adequate sleep and spend quality time with their parents. With a low student-teacher ratio, the classes are better managed and time is invested working one to one with students. skype sessions help students globally connect for cultural exchanges. The Sanskara syllabus followed by the school aims at fostering respect for Indian values, observance of kindness and integrity, upholding the the truth and caring for the environment. Its Citizenship

Programme focuses on empowering young citizens with life skills. The school ensures not to stress the children with homework. It is noteworthy that students who attend second shift schools acquire skills, learn, understand, analyse, apply and create in a relaxed and conducive school environment.

### New Team Elected at Ramjas Foundation

**Ramjas Foundation** is more than 110 years old and has carved a niche for itself. Its USP is providing quality education at nominal cost. It has a robust democratically elected management which is committed to excellence and brooks no compromise on values. Under the competent guidance of these duly elected members, 17 schools and one college, namely, Ramjas College have found a unique place under the sun. The newly elected members at the helm of affairs of this trust are Shubra Gupta, President of the Ramjas Foundation, Rajnath Gupta, as Chairman of the Managing Committee of Ramjas Foundation, Devesh Gupta, Chairman of the Governing Body of Ramjas College. The committee members, principals and staff of all the institutes under their umbrella, extend their full support to them. There's deep appreciation for these stalwarts who are passionate about education and work selflessly to realise their vision. It's firmly believed that the Foundation will touch greater heights under their mentoring.

### The Modern School, Kundli Initiates Project- 'Message for Life'

With the motto, 'Service above Self', the Interact Club of **The Modern School, Kundli** took the initiative to help people in the trying times of COVID 19. A project 'Message for Life' was initiated which focused on disseminating verified information regarding 'COVID Essentials'. The interactors volunteered to reach out to people who were in dire need of beds in hospitals, plasma donors, oxygen cylinders, cooked food, medicines and other essentials. Information was constantly updated by the team very responsibly. The people who received help were grateful and expressed their gratitude and acknowledged the compassion of the students. This project was a great way to make young modernites understand the importance of reinforcing community ties and working together in testing times towards a common goal.

### 'New Education Policy is a Welcoming Change'

New Education Policy, an innovation to bring transformation in sphere of rote learning is a welcoming change. It is a matter of immense pleasure that **M. M. Public School** is following the footsteps of NEP and developing skills of its students through Project Kaushal which imparts technical, advanced training in getting expertise in Coding, Artificial Learning, Data Analysis, Smart Processing and Robotics etc. among the students. Online Certification in collaboration with Navjyoti Foundation for all the above courses makes the students computer proficient. Enhancement of development of technical training and imparting multiple avenues of skill development also encourages leadership skills, promotes critical thinking, decision making and communication skills.

**Rooma Pathak, Principal, M.M. Public School, Pitampura**
